RE: PM 1389 EPO
Reddie & Grose: 31755

Dear Marta:

Please evaluate the references in the search report accompanying John Bass' letter of 19th August and his suggestion that the claims might need to be clarified by voluntary amendment (paragraph 3 and 4).

I presume you also received copies of the references or abstracts of these. Please let me know if you need anything further.

If you would like comments from the inventors, I can relay copies to one or more of the group.

Sincerely,

Beverly
